

The Monthly Tweet

For the children, by the children

Issue 8 : May 2017

This Issue:

- Year's 2 and 6 take their SATS
- SACAWAC
- Team Point Totals

Thank You

To the Year 6 teachers, TAs and members of staff for the lovely breakfast clubs the Year 6s were able to attend in the week commencing Monday 8th May. This really helped calm our nerves before going in to do our SATs tests.

Thank you to Miss Walsh, Miss Dyer, Mr Piper and Mrs Fletcher for all the help you gave us in preparation for our tests. This will make a difference to how many marks we will receive.

And thank you to the entire school for keeping quiet in order for us to do our revision and tests.

TEAMPOINT TOTALS

Well done to Quantock team who are currently in the lead for the total team points this Term.

SACAWAC

Year 2 have been practising SACAWAC. No, not a new language or sport but practising words which we can't spell. These can be tricky words like can't or shouldn't, where we use an apostrophe to replace the o after the n! The apostrophe helps make the words shorter from two words into one word. We've learned this is called a Contracted word.

EXPERIENCE SIX

What's going on in Year 6?

- We are working hard on our English work to make sure our writing is up to scratch.
- We have been busy doing projects in Maths
- We have auditioned for the lead roles in our end of term play, Oliver!, that all years should hopefully be able to watch.
- We have ordered our leavers hoodies.
- Overall, we are very glad that our SATs are over and are getting ready for our transitions for Secondary School.

PTA Corner

The new Friday Night Film Club was brilliant with a choice of different films to watch !!

NEXT ISSUE:

Year 5 visit escot park Sports day
Year 6 go to kilve
