\*This is a general guide to the Maths and English skills being taught in this year group. The St John and St Francis curriculum is flexible and designed to both support and challenge.

**Our Christian Values this term are:**  
Forgiveness and Friendship

**The learning theme is**  
The Great Fire of London. Children will be helped to understand their place in History and understand how great events shape history.

**Promoting spirituality**  
Knowledge and understanding of us all being different. Celebrating the uniqueness of ourselves and others. Link with the theme of friendship. Festival of light. Tolerance of others, inclusivity and the link to our British Values

**Learning beyond the classroom**  
Harvest Festival  
Swimming at our local pool.  
Christmas celebrations -local community

**Well Being**  
Children will develop PSHE links with building positive relationships within their class and the school community Understanding the importance of sharing, family and friends at Christmas time.

**Wider community**  
Local salvation army and church visitors invited in to talk to the children. Christmas celebrations and participation in Christian festivals Parent decoration day at Christmas. Parents invited in for reading and maths sessions throughout the year Work around the carnival.

**Christian Values**  
Friendship is essential to human life, relationships and well being. Children will be exploring the links between friendship and forgiveness through PSHE, class assemblies and informal discussion. How can we show our friendship towards one another?

\*This is a general guide to the Maths and English skills being taught in this year group. The St John and St Francis curriculum is flexible and designed to both support and challenge.

**Our Christian values for this term are:**

Perseverance and Kindness

### The learning theme is

Our Wonderful World  
The children will be encouraged to use their creativity to stimulate their imaginations. They will also develop an awareness for how to be kind to the planet.  
The children's stamina to write will be developed as well as a sense of perseverance.

### Promoting spirituality

Understanding that all living things have a purpose.

Discuss places where we feel at peace. What makes these places special?

Who else shares these spaces with us?

### Learning beyond the classroom

Outdoor learning- making links to the work the children do in Art and looking at the world around us and our locality in particular.

Easter bonnet parade- children encouraged to design and make an Easter bonnet to join in with the bonnet parade- parents invited to come and watch.

### Well Being

Link made to the themes of kindness and perseverance. PSHE Circle time sessions planned to discuss these themes. Discussions based around how to stay healthy and live a balanced life.

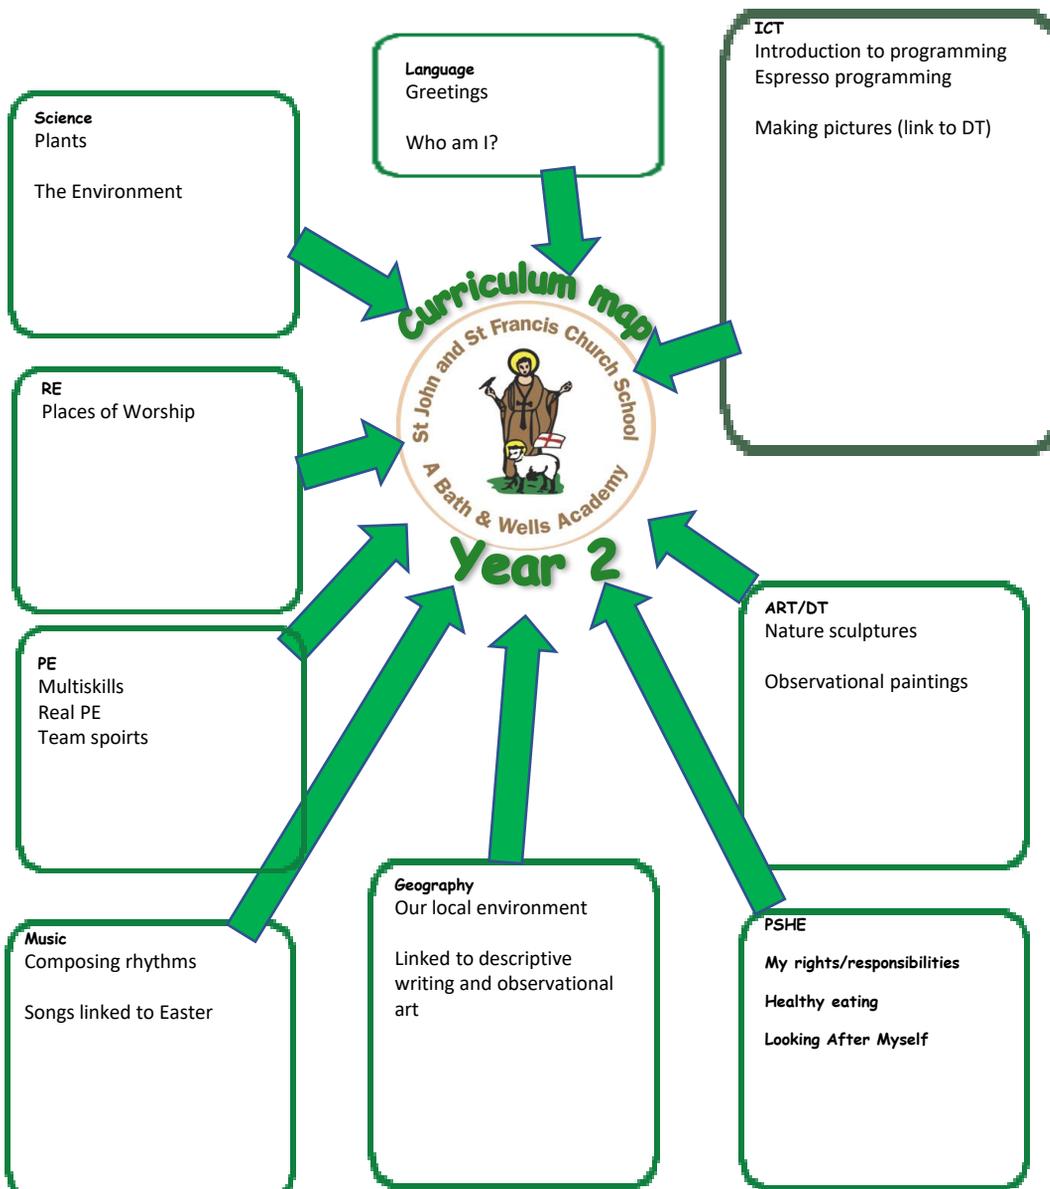

### Wider community

What makes our locality unique. Easter celebrations linked to our Church.

### Christian Values

**Perseverance-** a skill that we all need. Things in life are always going to be tricky, how do we deal with this is what defines us. Use the learning pit as a visual.

**Kindness-** how we treat other people who have a greater need than us. Look at people who suffer effects of Extreme Earth- 'Volcano in my tummy'- a shared text that we look at.

\*This is a general guide to the Maths and English skills being taught in this year group. The St John and St Francis curriculum is flexible and designed to both support and challenge.

**The Christian values this term are:**  
Peace and Thankfulness

**The learning theme is**  
Beside the Seaside. Children will look at a range of topics loosely connected to water. This will include writing, artwork, songs etc.

**Promoting spirituality**  
The children will learn about the spaces that they know and those that they can create for themselves.  
  
They will practice finding time to be peaceful and to reflect on the positive things/people they have in their life.

**Learning beyond the classroom**  
Visit SS Great Britain/Weston-Super-Mare to link with topic work.

**Well Being**  
Sports and nutrition. Sports and health week will provide an opportunity to discuss what we eat and why. Children will consider what a 'healthy lifestyle' means. This links with the PSHE theme 'Health and Wellbeing' where children will explore not only how to have a healthy body but also a healthy mind.

**Wider community**  
Sports day is a perfect opportunity for the parents to come into school and see the children competing in a respectful and positive way.  
  
Saying good bye to the year six children - being thankful for the time we had with them.

**Christian Values**  
Peace- children will explore the notion of peace in our classes and around the world. What does it mean to us?  
  
Thankfulness- Thankfulness to those in the past who have helped to shape the world as we know it. Thankfulness for the food that we have.
