FCSA Summer Fete

Thank you once again for everybody's support with the Summer Fete this year, raising over £1000 - a great achievement. It was lovely to have feedback from the stall holders saying polite and well behaved our children were on the day.

We've have been in consultation with the website company to get our school calendar back on the website. I am pleased to say that it is now there and in a format that should be easier to see on a mobile device.

End of Year reports

All of the class teachers are just putting the final touches to your child's end of year report. These will be available to download from SPTO in the next couple of weeks. We will send out a message to let you know when they are available.

Parentpay

We've had a good start to our takeup for Parentpay. Thanks to the 73% of parents who have used the new system to book their child into the trip to Minehead. The intention is that you will all find it easier and stop the risk of permission forms going astray. I can appreciate that new systems can initially be daunting, but it would be good to get as many people signed up as possible.
