15th October 2014.

Dear parents/carers,

As many of you will know, Class 4 have been studying electricity this term during topic and have just started to look at the Three Little Pigs in Literacy. As our end of topic group project, we will be building houses for the Three Little Pigs, with lighting throughout the homes. This is where we need your help...

We would like the children to have as much choice as possible when it comes to decorating and furnishing their houses, so if you have any unwanted material (for small curtains), small cardboard boxes (dining room table/beds), tissue paper/wrapping paper (as wallpaper) anything else you can think of, or a miniature kitchen sink (?) these items would be gratefully received.

The children can start bringing in items from tomorrow and storing them in their drawers, or in named plastic bags if the items are large. The design and build day will be our final school day this half term, Thursday 23rd October.

Yours sincerely,

Mrs Goodchild and Miss Derrick
