

MISSION/AIMS/ETHOS

Mission

We are a community of learners and seek to create, within a Christian ethos,
a
happy, secure and stimulating learning environment in which all members of
the
school community can grow in self-esteem and develop their full potential.

Statement of Religious Ethos

Recognising its historic foundation, the school will preserve and develop its religious character in accordance with the principles of the Church of England and in partnership with the Church at parish and diocesan level.

The school aims to serve its community by providing an education of the highest quality within the context of Christian belief and practice. It encourages an understanding of the meaning and significance of faith, and promotes Christian values through the experience it offers to all its pupils.
